

DEPOSITED PLAN
47465
 SHEET 11 OR 27
 VERSION 6

The Swan Canning Riverpark does not include any private property within the meaning of the term in regulation 2 of the *Swan and Canning Rivers Management Regulations 2007*.

- For Guidance:
1. The Development Control area managed by the Swan River Trust may be described in a general way as comprising -
 - (a) the waters -
 - (i) of the Swan River upstream of the Fremantle Port Authority boundary;
 - (ii) of the Avon River to its confluence with Moondyne Brook;
 - (iii) of the Helena River to the lower diversion dam on the river;
 - (iv) of the Southern River to Allen Road crossing; and
 - (v) of the Canning River to its confluence with Stinton Creek, that area reserved under clause 12 of the Metropolitan Region Scheme for "waterways" and
 - (b) lands adjoining those waters that are reserved as parks and recreation areas under clause 12 of the Metropolitan Region Scheme.
 2. The Riverpark area managed by the Swan River Trust may be described in a general way as comprising -
 - (a) all of the above excluding freehold land in private ownership.
