South-west region

Susceptible

Species name	Common name	Notes
<i>Calothamnus quadrifidus</i>	One-sided bottlebrush	
<i>Corymbia ficifolia</i>	Red flowering gum	
<i>Eremaea asterocarpa</i>		
<i>Eucalyptus diversicolor</i>	Karri	
<i>Eucalyptus gomphocephala</i>	Tuart	
<i>Eucalyptus marginata</i>	Jarrah	
<i>Eucalyptus wandoo</i>	Wandoo	
<i>Hypocalymma angustifolium</i>	White myrtle	
<i>Kunzea baxteri</i>		
<i>Leptospermum rotundifolium</i>		Exotic species with limited distribution in WA
<i>Regelia ciliata</i>		
<i>Thryptomene saxicola</i>	Rock thryptomene	
<i>Verticordia chrysantha</i>		
<i>Verticordia plumosa</i>		

Extremely susceptible

Species name	Common name	Notes
<i>Agonis flexuosa</i>	Peppermint	
<i>Beaufortia schaueri</i>	Pink beaufortia	
<i>Beaufortia sparsa</i>	Swamp bottlebrush	
<i>Chamelaucium uncinatum</i>	Geraldton wax	
<i>Darwinia citriodora</i>	Lemon scented Darwinia
